Dear Sue

LAUNCH OF YANCHEP TWO ROCKS CANCER SUPPORT GROUP

I would like to sincerely congratulate you on the success of the Launch of the Yanchep Two Rocks Cancer Support Group event on Saturday 15 February 2014.

Having a local cancer support group available in Yanchep Two Rocks is a valuable service to the community, particularly when people experience feelings of vulnerability after being diagnosed with cancer.

The support of family and friends is very important during times of need and I congratulate all concerned and wish you every success.

Kind regards

Tracey Roberts
